ARK Encounter

Prepare to be blown away as you explore the life-sized reconstruction of Noah's Ark, built according to dimensions in the Bible (510' long, 85' wide, 51' tall). The Ark is a jaw-dropping structure located in Williamstown, KY. The towering Ark, the magnificent exhibits inside it, plus the friendly animals in the zoo brings the pages of the Bible to life as never before.

Abraham Lincoln Library & Museum

See artifacts and exhibits related to Lincoln's life.

Carl's Ice Cream Factory

Feel like you're back in the mid-1950s in this old-fashioned ice cream parlor and restaurant.

The Creation Museum

A state-of-the-art 75,000- square-foot museum presenting Biblical history to engage the senses and stimulate the imagination. Throughout, see life-size dinosaurs, animatronics, and stunning displays including a Stargazers Room Planetarium, Special Effects Theater, Botanical Gardens, petting zoo, and even camel rides.
