Ark Encounter Prepare to be blown away as you explore the life-sized reconstruction of Noah's Ark, built according to dimensions in the Bible (510' long, 85' wide, 51' tall). The Ark is a jaw-dropping structure located in Williamstown, KY. The towering Ark, the magnificent exhibits inside it, plus the friendly animals in the zoo brings the pages of the Bible to life as never before.

The Creation Museum State-of-the-art 75,000 sq. ft. museum presenting Biblical history to engage the senses and stimulate the imagination. Throughout, see life-size dinosaurs, animatronics, and stunning displays including

a Stargazers Room Planetarium, Special Effects Theater, Botanical Gardens, petting zoo, and even camel rides.

American Sign Museum Explore the history of American signage. Signs from the 1800s are hand painted and gold leafed. Milk glass letters illuminate the electric age, and neon in a rainbow of colors lead the way to post-war plastics. History comes together on Main Street for the re-created street scape you have to see to believe.

Riverboat Cruise Unwind during a 1.5-hour cruise on the Ohio River. The captain will entertain with stories of the history of Cincinnati.
